## Trial Court Remote Video Hearings

Trial courts around the state are conducting remote video hearings, and they are authorized by Supreme Court order to live-stream hearings that are open to the public. If you have questions about the cases or hearings available on this website, please contact the court directly.

You may also search [mycase.in.gov](http://mycase.in.gov) for information about your case, and if you are scheduled to appear in court remotely, please see tips for attending remote hearings.

Recording of court hearings is prohibited, so archived versions of hearings are not available.
